**NARRATIVE:**

Gregory Williams is a documented gang member with an extensive adult criminal history that began at the age of 18. His convictions include possession of dangerous weapons, multiple burglaries, theft of personal property, possession of narcotic controlled substances, violation of parole, felon in possession of a firearm, attempted prison escape, possession of marijuana for sale, vehicle theft and possession of controlled substances while armed and failing to report. He has served multiple state prison terms, the longest being an 80 month term for burglary. Williams was released from state prison to the supervision of the Los Angeles County Probation Department on November 13, 2013. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in December 2014 after he absconded from post release community supervision (PRCS). Williams qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for vehicle theft is defined as non-serious and non-violent under the California penal code. His prior criminal history, gang member status, and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
